(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas or debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. **Except as provided in subsection (i),** the amount of ~~the~~ **an entity's** supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under

IC 4-33-12-6); minus

(2) the sum of:

(A) the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6; plus

(B) any amounts deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

**(i) This subsection applies only to the Indiana horse racing commission. For a state fiscal year ending before July 1, 2009, the amount of the Indiana horse racing commission's supplemental distribution under subsection (g) must be reduced by the amount required to comply with IC 4-33-12-7(a). For a state fiscal year beginning after June 30, 2009, the Indiana horse racing commission is not entitled to a supplemental distribution under subsection (g).**
